*A Better Community
Second Chance Breakfast*

APRIL 22 || 8-9:30AM

HARBOR OF HOPE ASSEMBLY OF GOD
(67667 WARNOCK ROAD, ST. CLAIRSVILLE, OH)

April is National Second Chance month! This is a time when communities across the country recognize the importance of providing people returning from incarceration opportunities to become positive contributors.

What if we could work together to do the same?

Urban Mission Ministry has been awarded a \$60,000 grant from the Ohio Department of Rehabilitation and Correction (ODRC) to work with community partners in directly serving current Harrison and Belmont County men and women who have been in jail/prison or are returning soon from incarceration.

Please join us, or send a representative from your organization, for breakfast to discuss how this funding can support your ability to serve returning neighbors, so we can ensure that all of Harrison and Belmont Counties citizens benefit from this grant. Also, we will discuss collaborative effort designed to strengthen the service network for our neighbors in need of a second chance.

Bringing together the necessary resources and social supports so our neighbors can stop struggling and start living as contributing members is key to offering second chances, promoting public safety and reducing reincarceration of our Harrison and Belmont Counties' neighbors.

Attending the breakfast commits you to nothing more than connecting with others who have a heart to serve and resources to support second chances.
